

DIY LUNULIS WISH STONE

Hold your wish.
Believe in the magic!

Every wish holds a little magic!

1

FIND A STONE

Choose a smooth stone you like. Every stone is unique!

2

PAINT A SYMBOL

Paint a moon, star, or your own special Lunulis symbol on your stone.

3

ADD SOME MAGIC

Add glitter, dots and sparkles to make your Wish Stone truly magical!

4

LET IT DRY

Let the paint and glitter dry completely. This step is important so everything stays in place!

5

SEAL IT

Apply a layer of clear glue or clear sealant (like Mod Podge or clear varnish) to fix the glitter and protect your stone. Let it dry again.

6

GIVE IT A NAME

Give your Wish Stone a name that means something special to you.

7

YOUR WISH STONE IS READY!

Hold your Wish Stone and think of a wish or a dream.

LUNULIS TIP:

You can make more Wish Stones! One for courage, one for friendship, one for dreams, and one for extra chaotic days!

Big dreams often begin with a little spark.
